

A REMINDER FOR MEMBERS, OLD AND NEW...

We want to our members and practitioners to co-create theatre together that gives young people a chance to say something about themselves and their world.

We make theatre that has a social purpose and delivers a powerful message through entertaining, poignant and dynamic stories.

We respond and listen to the ideas, skills and creativity of our young people. We do this by designing our activities to achieve wellbeing for everyone involved, using the PERMA framework: Positive Emotion, Engagement, Relationships, Meaning, and Achievement

This means our members gain lots from our projects – things like:

- Developing great friendships
- Building confidence
- Expressing their ideas and opinions
- Becoming more resilient
- Having more empathy for other people
- Improving their creative skills like devising, writing and performing
- Understanding their emotions
- Having fun and letting go!

At MFYT, we are looking for young people who want to join us on this journey!

Creating a safe space during challenging times...

We know that the last 18 months has been extremely challenging, and we've tried really hard to keep our activities going and provide positive experiences.

This hasn't always been simple, but we are really excited to start our new term with even more creative, fun experiences than ever!

Making theatre that actually means something isn't always easy. We are striving to make our spaces as safe and supportive as possible, so if you're worried about anything or would like to discuss any needs you / your child may have that we can better support, please get in touch. We really hope you'll join us for this exciting new term, and beyond.
